NOW COMES PLAINTIFF, ROLANDO BELTRAN by and through undersigned counsel of record, and in accordance with the Texas Labor Code, Texas Civil Practice and Remedies Code, and the Texas Rules of Civil Procedure files this, his Original Petition against the DEFENDANT, UNION PACIFIC RAILROAD COMPANY in Texas. For cause of action, Plaintiff would show unto the Court the following:

**I.
DISCOVERY CONTROL PLAN**

1. This suit is intended as a Level 2 case governed by Rule 190.3, Texas Rules of Civil Procedure. There is a possibility that Plaintiff may need to convert this to a Level 3 (Discovery Control Plan by Court Order) case. *See* Rule 190.4, Texas Rules of Civil Procedure.

**II.
THE PARTIES**

2. Plaintiff is a male citizen of the United States and a Texas resident living in San Antonio, Bexar County, Texas. Plaintiff as of the submission of this Original Petition is 42 years old.

3. Defendant, UNION PACIFIC RAILROAD COMPANY is a railroad company operating in the State of Texas and may be served through its registered agent with citation as follows:

CT Corporation System
1999 Bryan Street
Dallas, Texas 75201

4. Defendant, UNION PACIFIC RAILROAD COMPANY ("Union Pacific") at all times relevant hereto was Plaintiff's employer as defined by and within the meaning of the Texas Labor Code. Union Pacific has in excess of 500 employees.

5. Defendant, Union Pacific is a railroad company operating in the State of Texas as well as San Antonio, Bexar County, Texas.

III. JURISDICTION AND VENUE

6. On or about January 9, 2015 Defendant UNION PACIFIC RAILROAD COMPANY discriminated against ROLANDO BELTRAN who timely filed a Charge of Discrimination against UNION PACIFIC RAILROAD COMPANY with the appropriate administrative agencies, including the United States Equal Employment Opportunity Commission (hereinafter "EEOC") and the Civil Rights Division of the Texas Workforce Commission (hereinafter "TWC") identified as charge number 451-2015-01495.¹

7. On or about September 28, 2015 Plaintiff received a Notice of Right to File a Civil Action (hereinafter "Notice") from the TWC indicating that his administrative remedies had been exhausted and that he could therefore file suit within the next 60 days².

prescribed period Plaintiff has complied with all conditions precedent and exhausted all applicable administrative remedies prior to filing suit.

9. Plaintiff ROLANDO BELTRAN asserts claims against the Defendant for violations of the Texas Labor Code and other statutes and common law rights thereby invoking the jurisdiction of this Court.

10. Because the acts and omissions forming the basis of this suit occurred in Bexar County, Texas venue is appropriate in the county or district courts of Bexar County, Texas.

IV. STATEMENT OF FACTS

11. Plaintiff worked for UNION PACIFIC RAILROAD COMPANY in San Antonio, Texas for almost eleven (11) years, commencing employment in 2004 as a carman and later promoted to car foreman in 2014. Prior to suffering an adverse employment action, Plaintiff earned income of approximately \$90,000.00 per year plus health, life insurance and retirement benefits.

12. As a car foreman, Plaintiff was generally responsible for supervising the carmen at the railroad yard. At all times relevant hereto, Plaintiff performed these duties and executed his job responsibilities in a dependable and capable manner. Furthermore, Plaintiff was qualified for the position because he possessed the requisite skills, experience, education and other job related requirements for the position.

13. On or about November 14, 2014, Plaintiff was requested by UNION PACIFIC RAILROAD COMPANY to submit to a drug test which results were negative. On or about November 20, 2013, Plaintiff was again requested to submit to another drug test.

14. On or about November 25, 2013, Plaintiff received a call from Dr. R. Barnett, the railroad's Medical Review Officer who requested Mr. Beltran to provide a description of his

medication prescriptions. Plaintiff provided his medications as: Phentermine, an amphetamine-like prescription medication used to suppress appetite in an effort to lose weight; Symbicort, an inhaler for treatment of Mr. Beltran's asthma; and Colchicine, a medication used to prevent Mr. Beltran's gout attacks. The Medical Review Officer refused to hear about Mr. Beltran's over-the-counter medications which included: Fastin-XR to assist with weight loss; Robitussin for cough, and Nyquil for Mr. Beltran's cold-like symptoms. The Medical Review Officer stated to Mr. Beltran that he tested positive for "street" type methamphetamine type "D". This was a false and untrue statement.

15. On January 7, 2015, the railroad conducted an investigation hearing regarding the allegations of drug use by Mr. Beltran. During the investigation hearing a review of Mr. Beltran's medications was entered into the record which included the prescribed medications and the over-the-counter medications described above.

16. During the hearing, testimony was given by David Neff, General Chairman of the The American Railway and Airway Supervisors Association ("ARASA") that the prescribed medications and the over-the-counter medications Mr. Beltran had ingested prior to his drug testing by the railroad company caused a false positive for amphetamines or methampetamines based on the written opinion of Michael Zeitlin, M.D. Dr. Zeitlin's written professional medical opinion is attached hereto as Exhibit 3.

17. Despite the testimony and evidence provided by Mr. Beltran, his witness and David Neff, General Chairman of ARASA, Mr. Beltran received a Notification of Discipline Assessed dated January 9, 2015 stating "permanent dismissal" and Level 5 Violation Upgrade.

18. Based upon information and belief, the Union Pacific Railroad Company has a history of discriminating against older males and employees with disabilities. Mr. Beltran is a

Hispanic male and has a disability of morbid obesity for which he was prescribed Phentermine.

**V.
VIOLATION OF THE TEXAS LABOR CODE**

19. On April 10, 2015 Mr. Beltran requested that the Equal Employment Opportunity Commission and the Texas Workforce Commission's Civil Rights Division issue a charge of discrimination against UNION PACIFIC RAILROAD COMPANY. Charge Number 451-2015-01495 was thereafter signed and filed on April 17, 2015.

20. This was based on gender (male), race (Hispanic), disability (morbid obesity) and age (year of birth 1972), over 40.

VI.

21. By and through his Original Petition, Plaintiff pleads that he was replaced by someone outside the protected class, *i.e.*, someone who was (i) female; (ii) younger; (iii) and or non-Hispanic.

22. At all relevant times hereto, Defendant's actions were willful and intentional.

VII.

23. No federal claims are hereby asserted.

**VIII.
DAMAGES**

24. By and through this Original Petition, Plaintiff pleads that the Defendant UNION PACIFIC RAILROAD COMPANY, and its agents, employees and representatives, have caused Plaintiff Ryan grievous harm and damages. As a direct and proximate result of its violations of Texas law, the Defendants have caused Plaintiff to suffer lost wages (at the rate of at least \$90,000.00 per year plus benefits) in the past and future in an amount to be determined at trial by

the trier of fact.

IX.

25. By and through his Original Petition, Plaintiff pleads that Defendant Union Pacific Railroad Company has caused him to suffer mental anguish, loss of personal as well as professional reputation. Plaintiff will, in all likelihood and for the balance of his life, continue to suffer mental anguish. As such, Plaintiff is entitled to compensatory damages for past and future pecuniary losses, emotional pain, suffering, inconvenience, mental anguish, loss of enjoyment of life, and other non-pecuniary losses.

26. By and through his Original Petition, Plaintiff pleads that the Defendant, Union Pacific Railroad Company violated his legal rights intentionally and willfully. As such, Plaintiff is entitled to liquidated damages in an amount to be determined at inquest and at the maximum rate permitted by law.

X. ATTORNEY FEES

27. Plaintiff was forced to secure the services of undersigned counsel to protect his rights as guaranteed by the Texas Constitution, as well as the Texas Labor Code and therefore requests an award of attorney fees. Plaintiff's counsel has expended more than 40 hours of time through the filing date of this Petition. Counsel charges a reasonable and customary rate of between \$200.00 per hour to \$300.00 per hour depending on the nature of the services provided, the qualifications of counsel and where the services were performed (e.g., in-office services are billed at a lower rate than depositions, hearings, trials, etcetera).

**XI.
JURY DEMAND**

28. Plaintiff hereby requests that this case be set for trial on the Court's Jury Docket.

**XII.
REQUEST FOR DISCLOSURE**

29. Plaintiff hereby requests the disclosures authorized by Texas Rule of Civil Procedure 194.2:

- (a) the correct names of the parties to the lawsuit;

10. A Court Order directing Defendant to institute and carry out policies, practices, and programs which provide equal employment opportunities for individuals in the age-protected class, due to their gender, and individuals with disabilities and which eradicate the culture of retaliation that permeates the Defendant's workplace and the effect of its past and present unlawful employment practices; and
11. Such other and further legal relief, either at law or equity, to which Plaintiff may be justly entitled.

On or about January 13, 2015, I received a letter from Union Pacific Railroad signed by Superintendent Mike Veraclos indicating that I had been discharged for violating their Drug and Alcohol policy. Prior to my discharge, Union Pacific Railroad's contract doctor - Dr. Barnett advised me that my tests showed positive for illegal drugs-Street Meth. I advised Dr. Barnett that I never took any illegal drugs. I advised him that I was taking prescription drugs and over the counter medication. Dr. Barnett asked me what prescription medications I was taking. I provided Dr. Barnett with the medications I was taking and he advised me that he did not hear the right answer to his question and then advised me that my tests came back showing Street Meth. I further advised Dr. Barnett that I also take over the counter drugs and he told me no I don't want to hear about other over the counter medications that what I had in my system was Street Meth.

I believe I have been discriminated against based on my race/national origin (Hispanic), and sex

Re: **ROLANDO BELTRAN v. UNION PACIFIC RAILROAD COMPANY**
EEOC Complaint # 451-2015-01495
CRD/Local Commission Complaint #

The above-referenced case was processed by the United States Equal Employment Opportunity Commission or a local agency. Pursuant to Sections 21.252 and 21.254 of the Texas Labor Code, this notice is to advise you of your right to bring a private civil action in state court in the above-referenced case. **YOU HAVE SIXTY (60) DAYS FROM THE RECEIPT OF THIS NOTICE TO FILE THIS CIVIL ACTION.**

If your case has been successfully resolved by the U. S. Equal Employment Opportunity Commission or another agency through a voluntary settlement or conciliation agreement, you may be prohibited by the terms of such an agreement from filing a private civil action in state court pursuant to the Texas Commission on Human Rights Act, as amended.

The United States Supreme Court has held in *Kremer v. Chemical Construction Corporation*, 456 U.S. 461 (1982), that a federal district court must generally dismiss a Title VII action involving the same parties and raising the same issues as those raised in a prior state court action under Chapter 21 of the Texas Labor Code. Therefore, filing a lawsuit in state court based on the issuance of this notice of right to file a civil action may prevent you from filing a lawsuit in federal court based on Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e - et seq.

Re: Roland Beltran

To Whom It May Concern:

I have received results for Mr. Beltran's random urine drug test collected on November 20, 2014. In my medical opinion the positive results of Amphetamine 453 ng/ml and methamphetamine 1998 ng/mL, D-meth 72.3 % appear to be false positive results. At the time of collection, the test subject had been taking prescription medication and over the counter. The test subject was prescribed the following medication by his primary care physician Dr. Eduardo Benavides, M.D.: Phentermine 37.5 mg (a structural analogue to amphetamine and has similar activity), Symbicort 160-4.5 mg, Ulcor 8 mg, Colerys 0.6 mg. He was also taking over the counter medication for a common cold to include Nyquil D which contains Pseudoephedrine (30 mg/15 mL) and NeilMed inhaler which active ingredient includes Levomethamphetamine which is the levorotary (L-enantiomer) form of methamphetamine. An extensive medication history including prescription medication, herbal medication and over the counter medication should be obtained from the subject. This is important in order to anticipate false positives as well as differentiate between drug abuse and drugs used to legitimate medical purposes.

Amphetamine or methamphetamine is the most common reported false-positive urine drug test result. Given the structural similarity between agents, such as ephedrine and amphetamine. Some common substance that may cause false-positives for Amphetamine and methamphetamine on urine drug test include: Amantadine, Brompheniramine, Bupropion Chlorpromazine, Desipramine, Desoxyephedrine, Ephedrine, Fluoxetine, Isomethoprene, Isosuprine, Labetalol, Phentermine, Phenylephrine, Phenylpropanolamine, Promethazine, Pseudoephedrine, Ranitidine, Selegiline, Thioridazine, Trazadone, Trimethobenzamide, Trimipramine and Vicks Inhaler (active ingredient Levomethamphetamine). It is stated that neither immunoassay nor GC-MS can differentiate between l and d isomers and a positive result for amphetamines will be found; an alternate test, Chiral chromatography, may be needed.

It is my professional medical opinion that Mr. Beltran should have the opportunity of a re-test to confirm the alleged positive results. I highly suggest the test subject be re-tested to properly include all medication he has been taking in the past few weeks.

Respectfully,

Michael P. Zeitlin, MD
